VOLUNTEERS

*"That is how change happens.
One gesture. One person.
One moment at a time."*

-Libby Bray

Our volunteers at Fayette Senior Services are the heart of our organization. They have their hands in every area of services that we provide for seniors in our community.

Without their constant outpour of support and selfless giving, we would not be the organization we are today! Each quarter, we celebrate these volunteers by throwing them a fun social, get-together or dinner! Help us in supporting them and showing a small piece of the enormous gratitude we have for the endless acts of kindness they share with us!

Our Volunteers are Soup-er!

We can't wait to get celebrate our soup-er volunteers as we show our appreciation for them at our first themed Volunteer Appreciation Event of the year. We'll feature a mouthwatering soup bar for our volunteers to enjoy during a get-together just for them!

Volunteer Appreciation

• Dinner •

Nearly everything at Fayette Senior Services is shaped by the hands of our volunteers! Without this team of individuals, FSS would not be what

it is today. The past few years, our volunteers have provided on average over 22,000 hours of service each year and the impact they have is immeasurable. These remarkable individuals serve in the Ultimate Café, keep members safe in the fitness center, register people for programs at the front desk in Fayetteville and Peachtree City, deliver Meals on Wheels, plan activities with the STARS, maintain our Tranquility Garden, decorate and plan special events, teach classes as instructors, plan lunch outings and get together, and so much more. As a small token of our gratitude, we invite them to an appreciation dinner honoring them and all they've done throughout the year!

Fayette Senior Services, Inc., (FSS) a non-profit 501 (c)(3) is looking for sponsors to help us offset the costs of this dinner celebrating these generous people! Your sponsorship will play a hand in helping to supporting this event and making it an elegant evening to show how grateful this community is to have selfless individuals like them making a difference.
