

FROM THE DESK OF
SANTA CLAUS

To my dear wonderful volunteers of Fayette Senior Services,

Merry Christmas from the North Pole! As I sit by the fire here at the North Pole with a mug of hot cocoa and a plate of Mrs. Claus' famous cookies, I find myself thinking about all of you—the incredible volunteers at FSS! I may only come around once a year, but you are spreading cheer, kindness, and magic all year round, and for that, I thank you all!

Just like me and my elves, you work quietly and tirelessly to bring joy to others. Whether it's through a warm smile, a listening ear, or a helping hand, you light up the days of so many seniors, making them feel seen, valued, and loved. That's a kind of magic that not even I can put in a sleigh!

You bring the true spirit of the holidays into every season—patience, generosity, compassion, and joy. In that way, we're quite alike. While I fly around the world in one night, you make the world better every single day. And believe me, the difference you make doesn't go unnoticed—not by me, not by the seniors you serve, and not by anyone lucky enough to witness your beautiful hearts in action.

So from the bottom of my jolly heart, thank you! Thank you for your time, your energy, and your endless spirit. You are the reason the world is a little warmer, a little brighter, and a whole lot kinder. Wishing you a season filled with love, laughter, and the same joy you so freely give to others each and every day!

With all my love and a hearty “Ho Ho Ho”,

Santa Claus
